START THE PIECE HERE:

BLANKET – SHORT OVERVIEW OF THE PIECE:

The piece consists of 24 squares. Work 6 squares in each of the 4 colour combinations. When all the squares are finished, the squares are crocheted together and an edge is crocheted around the whole blanket.

SQUARES:

Using Karisma and crochet hook size 4.5 mm, read SQUARE COLOURS – in the explanations above, work according to diagram A.1. REMEMBER THE CROCHET TENSION! Each square measures approx. 24 x 24 cm.

ASSEMBLY:

Lay the squares out as shown in diagram A.2. Make sure all the squares are right-side up. Now crochet the squares together using chocolate brown in strips of 4 squares as follows: Lay the first 2 squares together, wrong side to wrong side and work 1 double crochet around the corner of both squares, * work 1 double crochet through the outermost loop of each double crochet along the one side. Work 1 double crochet around last corners, 2 chain stitches between the next 2 squares and 1 double crochet around the next corners *. Work from *-* until all 4 squares have been worked together – finish with 1 double crochet around the last corner.

When the strips have been completed, work them together in width in the same way.

EDGE:

Use chocolate brown and crochet needle size 4.5 mm.

Start by fastening the strand with 1 slip stitch in 1st corner and then work as follows: 3 chain

stitches, 1 treble crochet, 3 chain stitches and 2 treble crochets around this corner. * Work 1 treble crochet in each double crochet as far as the seam between the next 2 squares, work 1 treble crochet around both corners *, work from *-* to the next corner of this side of the blanket.

Around the 2nd corner work 2 treble crochets, 3 chain stitches and 2 treble crochets. Work from *-* to the next corner on this side of the blanket.

Around the 3rd corner work 2 treble crochets, 3 chain stitches and 2 treble crochets. Work from *-* to the next corner on this side of the blanket.

Around the 4th corner work 2 treble crochets, 3 chain stitches and 2 treble crochets. Work from *-* to the last corner on the blanket and work 1 slip stitch in the 3rd chain stitch at the beginning of the round. Cut and fasten the strand.
